a. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances which may, from time to time, arise, affecting teachers employed by the Board.

b. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with the appropriate member of the administration and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given notice of such adjustment.

**3. Procedure.**

a. Since it is important the grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every reasonable effort should be considered to expedite the process. The time limits specified may, however, be extended by mutual agreement. If any deadline established by this Article falls on a day when the Board office is closed, said deadline shall be extended to the first day thereafter when the Board office is open.

b. An aggrieved teacher shall institute action under the provisions hereof within twenty (20) calendar days of the occurrence of the grievance. Failure to act within said 20-day period shall be deemed to constitute an abandonment of the grievance.

c. Whenever the teacher appears with a representative the Board shall have the right to designate a representative to participate at any stage of the grievance procedure.

d. **Level I.** A teacher shall first discuss the grievance orally with his/her immediate superior (supervisor or principal) with the objective of resolving the matter informally. Where the immediate superior is below the position of principal, the principal shall be notified and shall have the right to be present at and to participate in said discussion. A decision shall be rendered by the immediate superior within seven (7) calendar days of the discussion.

e. **Level II.** If the aggrieved teacher is not satisfied with the disposition of the grievance at the preceding level, a written grievance may be filed with the Superintendent of Schools or his/her designee within seven (7) calendar days after the decision is made at the preceding level. The written grievance shall be furnished by the aggrieved teacher to his/her immediate superior and to the school principal, and shall specify: (i) the nature of the grievance; (ii) the results of the discussion; (iii) the basis of the dissatisfaction with the determination; (iv) the remedy sought. The Superintendent of Schools or designee shall hold a hearing, at where all parties in interest may be heard, within ten (10) calendar days after receiving the written grievance. Within ten (10) calendar days after the hearing, the Superintendent of Schools or designee shall render a written decision. This decision shall be provided to the

teacher, representative (if any), the school principal and the aggrieved teacher's immediate superior.

f. **Level III.** If the aggrieved party is not satisfied with the disposition of the grievance at the previous level, or if no decision has been rendered within fifteen (15) calendar days after reaching the Superintendent of Schools, the aggrieved party may request that the Association request a hearing of the Board. The Association's request shall be in writing, setting forth the reasons, and be transmitted within fifteen (15) calendar days to the Superintendent of Schools, who shall attach related papers, including copies of those requested by the Association and forward the request to the Board. The Board, or a committee thereof, shall hear the grievance within fifteen (15) calendar days after receipt of the grievance. The Board or its committee will make arrangements for a meeting with all parties in interest to hear the matter. The Board shall render a written decision within twenty (20) calendar days from the date of the close of the hearing, setting forth reasons for its decision. Copies of such decision shall be transmitted to the aggrieved party and the Association within five (5) calendar days from the date the decision was rendered by the Board.

g. **Arbitration.** In the event a teacher is dissatisfied with the determination of the Board, he shall request that the Association pursue arbitration according to rules and regulations established by the American Arbitration Association. The authority of any arbitrator shall be limited solely to the

interpretation of the Agreement and he shall have no authority to add to, subtract from or modify any of said provisions. In rendering the decision, the Arbitrator may take into consideration arguments of past practice only as they relate to the particular grievance under consideration, provided, however, that the issue of past practice shall be confined to terms and conditions of employment and shall not include any matters involved with education policy decisions. In rendering the decision, the Arbitrator shall be bound by the laws of the State of New Jersey and the United States, decisions of the Courts of New Jersey and of the United States, and rulings and decisions of the Commissioner of Education and the State Board of Education. The decision of the Arbitrator shall be binding upon the parties.

h. A request for arbitration shall be made no later than twenty (20) calendar days following the determination at the prior step. Failure to file within said time shall constitute a bar to such arbitration unless the Association and the Board shall mutually agree upon a longer period of time within which to assert such a demand.

i. In the event of arbitration, the costs of the Arbitrator's services shall be borne equally by the Board and the Association. All other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

#### 4. Miscellaneous.

j. All meetings and hearings under this procedure

shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives as are heretofore referred to in this Article.

**ARTICLE IV.**

**NO STRIKE PLEDGE.**

1. The Association agrees that during the term of this Agreement, neither the teacher organization nor any person acting on its behalf will cause, authorize or support any strike or any other job action, or the invocation of sanctions against the Board. Should a strike or other such job action occur, the Association shall attempt to direct its members to fulfill their responsibilities hereunder.

(ii). Each applicant, before being granted the requested leave shall certify that he or she is obligated to return to employment in the Fort Lee School District at the commencement of the school year immediately following completion of the leave of absence unless prevented from doing so because of illness.

## GUIDELINES FOR HORIZONTAL MOVEMENT

All Courses, whether graduate or in-service, must be approved by the Superintendent of Schools or his designee, in advance of attendance.

Only passing grades will be credited toward advancement as determined by a review of the official college transcript submitted by the staff member.

The mandatory 100 hours of continuing professional development (N.J.A.C. 6:11-13.1, et seq) will not necessarily trigger horizontal movement; however, during the process of horizontal movement a teacher may satisfy the 100 hours.

At the earliest possible date in advance of September 1 of any school year by which a teacher will be confident that he/she will expect to qualify for advancement beyond his/her current salary guide class, inclusive of mid-point possibilities, effective for said September 1, he/she would prepare and send to the Superintendent of Schools or his designee two completed copies of the form, "Record of Superintendent's Approval for Advance Study relating to Salary Classification."

When a teacher completes ten (10) semester hours as approved by the Superintendent of Schools or his designee for credit toward the thirty (30) semester hour requirement differential between salary guide classes, the teacher will qualify for a salary adjustment as of September 1 in the school year immediately following the completion of said ten (10) semester per hour block credit with said amount of salary adjustment to be equal to one-third of the salary guide differential between the appertaining classes.

The following are the class categories and requirements reflective in the horizontal movement salary adjustment schedule:

|             |   |
|-------------|---|
| Class BA    | = Bachelors Degree                          |

| Class BA+20 | = Bachelors plus 20 credits                 |
| Class BA+30 | = Bachelors plus 30 credits(2005-2006 ONLY) |

Teachers with a bachelor's degree who are employed by the Board on or before June 30, 2006, and who have also qualified for Class BA+30 on or before June 30, 2006, shall thereafter be placed on the salary guide at Class MA starting with the 2006-2007 school year and shall remain at Class MA. Starting with the 2006-2007 school year, Class BA+30 shall be eliminated. As of July 1, 2006, except for those grandfathered by this paragraph, only those teachers with an actual Masters Degree may advance beyond Class
